Why are these identification documents required?

We are required by law to collect information about and verify an investor's identity prior to issuing them with Units in the Fund. In order to fulfil these legal and regulatory requirements we must collect certain information and documentation.

Anti-Money Laundering and Counter-Terrorism Financing Act ('AML/CTF Act')

The AML/CTF Act obliges us to collect identification document(s) and other supporting information from our investors to verify the identity of the investor or Unitholder, the identity of any underlying beneficial owner of Units, or the source or destination of any payment to or from the Fund or any other purpose pursuant to the AML/CTF Act. Identification documents provided by you or your agent must be certified (see **Section 5** of this Application Form for requirements). Non-English documents must be accompanied by an English translation prepared by an accredited translator.

Tax Information

This application form contains specific questions about investors' tax status for FATCA and OECD Common Reporting Standards (CRS) purposes (see **Section 3**).

Tax Residency rules differ by country. Whether an individual is tax resident of a particular country is often (but not always) based on the amount of time a person spends in a country, the location of a person's residence or place of work. For the US, tax residency can be a result of citizenship or residency.

BFM is not able to provide advice to individual investors and cannot determine the impact or compliance obligations of FATCA and/or CRS for the investor's business activities. BFM strongly encourages investors to seek the advice of an accountant or tax specialist to determine what actions they may need to take. Further information is available on the ATO website (ato.gov.au).
